

**Survey Results**

**American Rescue Plan Act (ARPA) Funds as of 8-19-21**

	Playground Equipment - Park Improvements								Infrastructure									
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other
Premium pay for DPW guys - they are essential workers their hard work keeps are Township nice			1															
Update and build new playscape at Finn Rd Campground. It hasn't been touched in years & kids have nothing to do there. Repaint, clean and restore screened pavilion at Finn Rd Campground					1													
Improve broadband infrastructure, expand access to reliable internet, make affordable for families w/school-age children									1									
Repair and fix up parks for kids. Spray park like the one at State Park would be wonderful. Kids need something in Twp						1												
Equipment for police and fire	1	1																
Bonus for police and fire and first responders	1	1																
New playground equipment at all parks					1	1	1											
Ditch cleaning										1								
Internet/broadband to areas that don't have it									1									
Basketball courts and tennis courts								1										
Make necessary investments in water, sewer and broadband infrastructure									1	1	1	1						
Wireless broadband internet connections for everyone									1									
Wireless broadband internet access to all residents - currently don't get on Finn Essential workers should get something for their hard efforts, they gave enough free money to others				1					1									
Pave Ridge Road by cemetery														1				
Invest in water & sewer to help lower the cost											1	1						
Clean up the mess where the tennis courts were removed						1												
Add help to DPW-quality of maintenance, roads, ditch banks, etc has declined in recent years. Does DPW need to hire more?			1															
Pay everyone's water bill for a quarter or two											1	1						1
Priority is health, safety & welfare of all Twp residents, better parks & recreation, provide space for shots for residents					1	1	1											
Replace or repair water and sewer lines, broadband infrastructure																		
Provide mental health for trained emergency workers to assist police & fire officers	1	1									1	1						
Sewer expansion project, invest in police (officers, training & secretary) & fire Dept, road repairs	1	1												1				
Make investments in water, sewer and broadband									1	1	1	1						
Make necessary investments in water, sewer and broadband infrastructure and fix roads that need it	1	1							1	1	1	1	1					
Share it between police & firefighters																		
Grind brush more than once a month & reopen transfer station			1												1			
Replacing playground equipment, adding more trash cans on frequently traveled bike & walkways				1	1	1	1	1										
Upgrade hardware & software so water/sewer bill can be paid online. Invest in water, sewer & broadband									1		1	1						
Police and fire dept - upgrade equipment & staffing	1	1																
Replace playground equipment and improve parks, sidewalks, bike lanes that extend to schools & parks (Borton/Nebobish)					1	1	1	1						1				
Clean up ditches in the Township by removing brush and other growth										1								
Make necessary investments in water, sewer and broadband infrastructure									1		1	1						

					Playground Equipment - Park Improvements						Infrastructure										
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other			
Set it aside as a cushion for future water repairs												1									
Dig the Ridge Rd ditch from Finn Rd to Farley Rd											1										
Do Not Waste It																					
Yes to broadband infrastructure, playground equipment water & sewer					1	1	1			1		1	1								
Any relief with water/sewer/trash bills											1	1	1					1			
Sewers! Sewers! Sewers! Please, I've had human waste backup into my basement twice in last 18 months											1		1								
Sewer, water effect every resident here!!!											1	1	1								
Premium pay for workers to enforce & foresee program to fixing blighted properts & the impact it has on community																		1			
Make improvements to parks, fix roads like Arms Rd after Consumers wrecked it					1	1	1							1							
Replace street sign M-25 & Cecelia Dr. (missing since Accident 2 years ago)														1							
Make necessary investments in water, sewer & broadband infrastructure										1	1	1	1								
Sidewalks!! Lots and lots of the! Specifically, at least 1 side of Scheurmann from Center to Youngsditch then to M15															1						
Infrastructure projects to continue to modernize & when possible reduce rates to Consumers, a means to cont. growth in Twp																					
Lets use the money to bring new & ex-businesses back to fill the loss of our tax system to improve our funds.															1		1	1			
Use for water/sewer infrastructure											1	1	1								
Clean out ditches, remove brush from ditch banks											1										
Keep pumping station running at end of ditches, maintained-sve our farmfield from flooding, Roads, No playground											1			1							
Improve water, sewer and road infrastructure											1	1	1	1							
Improve parks, internet					1	1	1			1											
Investment in water and sewer, playground needs repairs remove concrete,					1	1	1														
Update water/sewer lines/connections. Also Like the idea for the parks					1	1	1				1	1	1								
A park w/a splash pad and other features (climbing wall, etc.) would be awesome!					1	1	1														
Update needed maintain equipment, fire, water & sewer		1	1								1	1	1								
Give to police & firefighters	1	1																			
Clean up (pond) at Ridge Road park, After removing tennis courts neber finished. Plant grass clean it up						1															
Increase capacity of retention pond. Sewer improvements to solve back ups into basements on Cecelia. Roads crts & drs											1	1	1	1							
Fix streetlights in Collegetown fixed. (Tara put in service call on 7/27/21)																		1			
Expand Nature trails for future generations.								1													
Bike path on Hampton Road. Clean ditches and maintain them.											1			1							
Provide shade at the Smith Park Area. A Basic Pavilion type structure near the parking lot. - CITY OF ESSEXVILLE																					
Invest significant money to attract business to empty storefronts. Should use for economic development in inc tax base																	1				
Infrastructure Parks					1	1	1				1	1	1								
Broadband infrastructure - increased access and reasonable cost (high quality internet)										1											
Invest in local infrastructure that would lead to long term tax revenue or decreased expenses.										1	1	1	1								
Make necessary investments in water, sewer and broadband. Replace our old playground equipment & improve parks					1	1	1			1	1	1	1								
Make necessary investments in water, sewer and broadband infrastructure										1	1	1	1								

					Playground Equipment - Park Improvements						Infrastructure									
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other		
Ensuring all residents & business have access to adequate broadband will be a gamechanger. Our students need broadband to ensure they are equipped to learn in the 21st century. It would also create a more attractive environment for businesses and potential new residents.										1							1			
Continue to upgrade township roads														1						
courts were taken 2 years ago. Clean twp ditches that are strewn with trees, limbs & trash. PS Twp does not need to upgrade playground equipment. Spend											1							1		
Invest in water , sewer & broadband infrastructure										1	1	1	1							
To make investments in water, sewer & broadband infrastructure										1	1	1	1							
100% towards water/sewer so that all residents benefit from this money											1	1	1							
Invest in nec. Infrastructure - water-sewer-broadband-roads										1	1	1	1	1						
People who put their live on line during COVID-19 and maybe water cleanliness. Police & first responder ofr where it mostly need it	1	1										1								
Open the dump back up Please!!																1				
Water, sewer and broadband infrastructure improvements										1	1	1	1							
Recommend using this money to make improvements to our water, sewer and broadband access										1	1	1	1							
Infrastructure benefiting all residents water-sewer-roads											1	1	1							
Use the money wisely on all our infrastructure projects that are needed										1	1	1	1	1						
I was going to suggest reopening transfer station until I seen it. Our town has trash all over it since transfer station closed (sad) water, sewer upgrades											1	1	1			1		1		
More sites at Finn Road Park																				
To make necessary investments in water, sewer and broadband infrastructure										1	1	1	1							
Replace old playground equipment improve parks - maybe bathrooms					1	1	1													
Park Improvements					1	1	1													
Improve foot and bike trails, Playground & parks, Public Pool, Improve water & sewer					1	1	1	1			1	1	1							
Return the money to those who pay them in taxes which made this money available																		1		
What to do with leaves if I had to bag I would have 50 large bags or more																		1		
Pond Park update equipment, nicer, improve area - basketball or baseball, something																				
We love having trash pickup!! Please make necessary repairs on water, sewer, and the rest of infrastructure. The people that had to work instead of handouts should get something special				1						1	1	1	1	1						
Not pay - already paid, infrastructure yes - water, sewer NOT daycare											1	1	1							
Replace old playground equipment - improvements to park					1	1	1													
I suggest use for revenue reduction from COVID-19 or investment water & sewer and broadband infrastructure										1	1	1	1					1		
Police & fire department use?	1	1																		
More affordable internet service, students at home, senior citizens, & those working from home need reliable, less costly easily accessed internet. Park funding also sounds great. Hopefully the funds would help employ more people therefore, more local spending.					1	1	1			1										
Have brush grinding more than once a week instead of monthly infrastructure improvements										1	1	1	1	1				1		
Return the money back to the government. We should not be spending money willy nilly!																				
To make necessary investments in water, sewer and broadband infrastructure										1	1	1	1							

					Playground Equipment - Park Improvements						Infrastructure									
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other		
1)Fix Roads. 2)Put a stop to all the fun fire at the intersection of Cotter & E Nebobish. It's marked for Public Hunting not a firing range! I know you will tell me neither one or these come under ARPA!														1				1		
Clean drainage ditches so they properly drain											1									
Repave the boat launch parking lot at Smith Park. I don't know what went wrong under there but is bad and worrisome?																				
Set up an EAP fund for police/firefighters. This will help them offset cost to enter counseling services. We need to offer more support!	1	1																		
Clean ditches to they drain.											1									
1)replace old playground & improve parks (Great Idea!) 2)Dredge Jones Rd boat launch to make it usable for boats. 3)Solar panels to offset consumers energy. 4)Expand campground on Finn Rd to generate revenue for Twp offset Consumers loss. 5)A project that would generate income for the Twp to offset taxes for residents, especially considering CE is shutting down. Campground expansion would be a great start but others would be helpful.					1	1	1			1	1	1	1	1				1		
Fixing the pavement at the entrance to the police station. Some type of compensation for our police/public safety/firefighters and DPW workers who had to stay on the job working with the public during COVID. Do water line and/or sewer lift stations need attention?	1	1	1									1	1							
Please hire someone to dredge the ditches. Our ditches need cleaning very bad											1									
Investment or pay any balance related to infrastructure. Investment or reparation of current parks and other activity related to bring more people to the area. Building a picnic-pavilion at the Nature Trail or Boat Launch Area					1					1	1	1	1							
Continue improvements to pumping stations to assist with ponding water throughout the Township.											1									
Broadband infrastructure										1										
1)Necessary investments in water, sewer & broadband infrastructure. 2)Updating & upkeep of our parks, playgrounds, boat launches. 3)Premium pay to essential workers during COVID-19 pandemic				1	1	1	1			1	1	1	1							
Parks & playground improvement. Water sewer broadband infrastructure					1	1	1			1	1	1	1							
to make necessary investments in water sewer & broadband infrastructure										1	1	1	1							
Pay hazard pay premium for high risk essential workers especially those who became sick. Increase funding for local pre-K and child care programs. Parks and water/infrastructure improvements					1	1	1					1								
In the spring or summer of 2019(I think) we had water in our basement due to sewer backing up. I think it was due to the pumps not being able to keep up with the amount of rain we received. While we haven't had that rain event since then it seems as if its only a matter of time before we get heavy rainfall to where our existing pumps can't keep up. Is this something we can spend money on? New/higher capacity pumps? Secondly, is there a way to use these funds to extend the nature trail between Finn and Jones? Tying this into the Bay City Railtrail would be a win for the region.								1			1									
1)Make necessary investments in water, sewer and broadband infrastructure. 2) Buy another long arm weed cutter to clean growth in ditches. Ours on Burns Rd needs cutting immediately.										1	1	1	1							
Make necessary Investments in water, sewer & infrastructure. Replacing playground equipment also and other improvements to our parks.					1	1	1	1			1	1	1							

					Playground Equipment - Park Improvements						Infrastructure										
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other			
The idea of improving parks is goo. I assume this includes the park on Ridge Road with tennis courts. The roads north & west of cemeteries also need repaving.					1	1	1							1							
Necessary investments																					
Cutting ditch weeds - both sides of the ditch.											1										
Bathrooms for both parks on Ridge Road						1	1														
Repair or replace the lift station at St. Patrick's Cemetery. Constantly being worked on. Won't handle a heavy rain.											1		1								
One suggestion is to potentially help the elderly residents to pay their water and land tax bills																		1			
Invest in water, sewer & broadband.										1	1	1	1								
To make necessary investments in water, sewer and broadband infrastructure										1	1	1	1								
Use funds to eliminate mandatory trash charges of \$57.21 for my household that I didn't vote for and do not use at allow! I have voiced this opinion to supervisor before, but you gave me the opportunity again. Your trash hauler goes down the roads, after picking up our neighborhood trash and trash residue blows from the top or from the container onto the roads, or peoples yards. This happens weekly on their route. I never had this complaint before you took the liberty of forcing this service down my throat and charging me for it on top of that. Take a trip behind the truck for a route and decide for yourselves if you made the correct decision. Any comments you can reach me at (xxx) xxx-xxxx																		1			
Between the revenue reduction from Consumers and COVID-there must be some services that have been put on hold.																		1			
Definitely the parks and recreation-play ground on Ridge near Pine! Put in more clean outhouses at the parks. Cut down the cotton trees!!!							1														
We should use these funds so everyone benefits, our only viable choice is to make investments in water, sewer, or broadband for the good of everyone. Please act responsible. Thank you										1	1	1	1								
To provide government services affected by the revenue reductions from COVID19																		1			
Keep railtrail clear of ice & snow								1													
If it was an option, reopen transfer station. Use the money to provide stimulus checks to each household assuming each household was impacted somehow.																					
Set up water bill auto-pay												1				1		1			
infrastructure										1	1	1	1	1							
Use to improve "side streets" in Hampton Twp														1							
Pay our police & firemen extra they did not take a day off. The office workers did.	1	1																			
To make necessary investments in water, sewer and broadband infrastructure										1	1	1	1								
Needs would be my suggestion, to be sure everyone has safe drinking water. One wish that I have is that everyone has free access to internet connection										1		1									
Parks improvement					1	1	1														
I choose water & sewer or other infrastructure, NOT broadband. Only things all residents & tax payers will benefit from with future results & savings of \$\$\$ long term!											1	1	1								
More local restaurants on Center or Downtown Essexville																	1				
Repave Wagner Road from Youngs Ditch to Ridge. The road has seen its days.														1							
All the above plus the playground equipment				1	1	1	1			1	1	1	1								

					Playground Equipment - Park Improvements						Infrastructure										
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other			
Water sewer broadband infrastructure										1	1	1	1								
I would vote for investing in water, seer and broadband infrastructure										1	1	1	1								
Invest in water, sewer & broadband infrastructure										1	1	1	1								
Invest in new water & sewer infrastructure. Replace and update old water & sewer lines, etc.											1	1	1								
I want high speed internet access. A cable currently funds down Jones Rd. Charter wants \$7,000 to hook up. This means running a cable from the Rd to my house. Internet Access should be available without a hook-up fee										1											
Playground equipment-black to or gravel along side of the road					1	1	1							1							
Resurfacing Cass Ave. east of Farley Rd.														1							
Why not help the people with our water bills that would be a gift. We in the Township already owe the park. The Township can replace playground stuff anytime. This is extra money for the people of the Township.																	1				
Please use wisely thank you																					
Help new business come into the township-Lasko-s, Mancino-s, et.; Improve infrastructure before it gets out of hand & will cost more to fix/replace; disc golf course									1		1	1	1				1				
If this program has anything to do with Biden's Program to let people from central America come in illegal and bring them to our community, I am against it. "Build the Wall"																					
To pay for my garbage pick up that I never asked for or wanted MORONS																					
Make necessary investments in water, sewer and broadband infrastructure										1	1	1	1								
Clear up blight in Township																			1		
Paint Center lines on roads														1							
I have not lived here long, but one item that I feel takes away from the enjoyment of the park on the river behind the post off is Goose Poop. Can funds be used for goose population control at the parks?																					
1) Infrastructure for water & sewer 2) Essential workers premium pay. 3) replace playground equip.				1	1	1	1				1	1	1								
Clean ditches water is too high, fix roads											1			1							
Water & sewer improvements											1	1	1								
1)Turn the transfer station property into a dog park with a "treated" swimming pond. 2)Turn the transfer station property (or any other property) into a disc golf course 3) Give residents a credit on their water bills that have increased. I definitely do not suggest handing more cash to "people". With the stimulus checks, unemployemnet bonuses, & now federal child support checks, there has been enough free money handouts. Please us the funds to improve Hampton township in a manner beneficial to all residents.									1										1		
<b>as of 8-5-21</b>	<b>21</b>	<b>22</b>	<b>8</b>	<b>8</b>	<b>46</b>	<b>45</b>	<b>41</b>	<b>12</b>	<b>4</b>	<b>64</b>	<b>98</b>	<b>95</b>	<b>90</b>	<b>33</b>	<b>4</b>	<b>5</b>	<b>10</b>	<b>46</b>	<b>652</b>		

					Playground Equipment - Park Improvements				Infrastructure							Reopen Transfer Station	Economic Development	Other
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks			
Fix the park where you took out the tennis courts on Ridge/Jones. Its unsafe, unsightly and my allergies have never been worse!						1												
Fix existing parks & equipment and/or infrastructure. Another option is to apply these funds to help lower the cost of bills to the residents.					1	1	1											1
Consider an "adopt a township road" to fund picking up all the trash and plastic bags blown around since they closed the dump. Thx																		1
Parks improvements and expansion is a good idea					1	1	1											
Upgraded parks					1	1	1											
Make investment that benefits ALL residents. Re: water, sewer, broadband infrastructure, etc. Get a dependable trash pickup service for bulky items, always one/two days LATE on pick up scheduled.										1	1	1	1					1
Set up a fund to boost essential workers pay "IF" deemed by state. Upgrade broadband in township-current Hatch Rd has AT&T and Comcast buried lines, but not in service. This would help school kids. Also, if they bury it in your yard then use it!! Township taxes should pay for upgrades to parks and park equipment. I have grandkids but think this is a waste of money "unless" repairs are at school facilities.	1	1								1								
Give money to businesses that closed due to COVID in order to re-open. ie Mexican Restaurant on Center Ave.																		1
Water - Sewer											1	1	1					
Cleaning all ditches, the brush smells & weeds											1							
Do what has to be done to keep us safe and well.	1	1																1
Keep improving rail trails								1										
I support using to make necessary improvements in water, sewer & broadband infrastructure. Also provide premium pay to workers that performed essential work during the pandemic.	1	1								1	1	1	1					
Use for the four items listed above.	1	1	1	1	1	1	1			1	1	1	1					
I need access to the ditch on east side of Knight Rd for water on surface and also for my sump pump water. I don't know how to make every person in Hampton feel like they share equally from funds.																		1
Remediate the park area where tennis courts were removed, it is an eyesore. Maybe another playground area in addition to the other play area by the pavilion would be good in that vacant spot. Would it be possible to have a firepit area in the Jones Road Park away from pavilion in safe spot? people could have small gatherings w/a campfire. PS may advise against it? Would be nice to see the roadsides mowed down in the summer-set aside funds to possibly hire an outside crew/company if DPW is unable to keep up due to staffing. Bid the work out next spring for maybe June-Sept with guidelines. Cameras in areas of possible vandalism ie the parks						1					1							1
Road work on houses where needed														1				1
Respond to negative economic impacts. Premium pay for essential workers, make necessary invests in water, sewer and broadband infrastructure.				1						1	1	1	1					
Park improvements or new created parks, improve roads and bridges, assure no lead pipes for water usage, assist residents with proven financial difficulties					1	1	1					1		1				1
Guess I don't qualify cause I would vote for transfer station to reopen																1		
to make necessary investments in water, sewer and broadband infrastructure										1	1	1	1					
fix infrastructure										1	1	1	1	1				

					Playground Equipment - Park Improvements						Infrastructure									
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other		
Can any suggestion help to lower my property taxes? Inflation has been hard on fixed income households. None of these funds should be allocated to elected officials. Please look at secondary roads as they need repair														1				1		
Water, sewer infrastructure, broadband great ideas										1	1	1	1	1						
If allowed, pay debts 1st. Save some don't spend it all at once, can any be used to clean ditches/all the vegetation?											1							1		
Use it for budget items that will mitigate the lost revenue. Items that are critical & necessary to the safety of the township.	1	1																1		
Reopen the dump and fire Republic																1				
I have to pay for junk pick up which I don't have because I use a walkdr. I can't use the big bins. I have someone else pick up. Your men are lazy																		1		
The culverts on either side of Elizabeth Lane have settled; when it rains or snow melts, there are large pools of water at the ends of people's driveways and yards. FYI ONLY														1						
invest in water sewer and broadband infrastructure										1	1	1	1							
Put the light back up in the park that got knocked down a couple years ago. Fix old Tennis Courts.						1														
Make another hiking, biking trail from Knight Rd to Jones Rd to SE Boutell								1												
How about save the money? Does it have to be spent right away?																		1		
NOT TO THE SUPERVISORS! Maybe work on Jones and Ridge Park. Finish the blacktop of Finn Road Campground. Fix sink holes in roads like Hatch & Avalon					1									1						
Essential workers that worked through COVID, wter, sewer and broadband	1	1								1	1	1	1							
Fix existing parks and recreation areas, new playscapes or something for children to do					1	1	1													
infrastructure and roads										1	1	1	1	1						
Continue the good work on the water/sewer program. Improve and/or expand broadband infrastructure										1	1	1	1							
No premium pay to anyone! Can we fix the roads? How about putting utilities underground & get rid of ugle old phone poles & lines. Clean up blight! Enforce ordinances!														1				1		
infrastructure and roads. Knodt Road especially														1						
Repair Ridge Road Parks						1	1													
Make necessary investments in water, sewer & broadband infrastructure to secure our safety of always having clean water & less expense to the consumer & county.										1	1	1	1							
Make township infrastructure repairs & improvement neglected during the pandemic, roads & parks					1	1	1				1	1	1	1						
make necessary investments in water, sewer & broadband infrastructure. Our sewer rates are to high										1	1	1	1							
Help food banks - local homeless shelters (stay local)																		1		
Street light																		1		
Grants should be given to daycare providers to help improve facilities and in home care. They kept our essential workers kids well taken care of. Or give it back to the tax payers																		1		
Replace playground equipment sounds like a great idea					1	1	1													
Improve water & sewer infrastructure. Clean ditches											1	1	1							
Necessary investment in water, sewer infrastructure. Side walk on M-15 between Portsmouth Rd & Ridge. People are walking & riding in road														1	1					
invest in water & sewer infrastructure. "Clean out ditches" so basements don't flood											1	1	1							

					Playground Equipment - Park Improvements						Infrastructure									
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other		
Playground equipment					1	1	1													
Upgrade to Jones Road Park. Clean the Finn Road cut to the Bay					1	1														
Fre lead testing for all residents drinking water. Assist w/repair costs if lead detected in water, invest in drainage ditches, dikes, pumpstations etc.											1	1	1							
1) Put the money into rainy day fund. 2) Dump and dgrade gravel on road shoulders 3) Distribute free yard waste bags. 4) Make improvemnts to our parks.					1	1	1							1						
Clean ends of roads, fix roads in more rural areas, fix some of the smaller bridges that are deteriorating, playground for kids					1	1	1							1				1		
Provide a bonus contribution to retirement plans of all township employees that worked from March 2020 to December 2024. Anyone that quits before 2024 woul not get bonus. If retire before 2025, prorate bonus.																		1		
Park Renovation and improvements specifiially for Jones Road Park. Maybe add a dog park and basketball court. Repair/improve fencing.						1			1											
Something done with Jones road Park - maybe a playground like they put in Vets Park or a splashpark for kids						1														
Pay down/off the school debt & school sinking debt																		1		
Agree with replace old playground equipment and improve our parks					1	1	1													
Keeping FULL TIME FIRE DEPART!!!		1																		
Spend all funds to invest in water, sewer and broadband infrastructure. No more handouts!!										1	1	1	1							
Provide grants or low/no interest loans to small businesses to help them grow or recover. And/or same to new small businesses to entice them to do business in Hampton Township.																		1		
Install rail road crossing arms at all roads in our Township. Center Road for sure to stop the 3am horn blowing & waking up everyone! Federal Reg's 1 short 1 med 1 short! 1 driver (3) seconds. 8-5pm Residential district?																		1		
In some way invest in the township through its infrastructure as that provides for all residents. Economic recovery projects for loal businesses											1	1	1					1		
Make investments in water, sewer & broadband										1	1	1	1							
I would agree that the playground should be made safe and fun for kids & families. I would also like to know if police and fire services are maintained and in good shape	1	1			1	1	1													
Replace playground equipmetn make improvements to parks					1	1	1													
Expand road to 3 lanes from M15 to pine Street and fill in ditch on Youngs Ditch Road											1			1						
Free covid testing, reduce H2O & Republic bills																		1		
Make necessary investments in water, sewer and broadband infrastructure lower water bills										1	1	1	1					1		
Provide economic incentives to businesses to move into the empty commercial and retail space along M-25																		1		
Improve water, sewer & broadband infrastructure. Clean sewer lines annually										1	1	1	1							
Make necessary investments in water, sewer infrastructure											1	1	1							
Agree with replace old playground equipment and improve our parks. Ensure safe water for township					1	1	1						1							
Improve water system, repair curbs, maintain Finn Road Park. Improve/expand bike trail along borton					1			1				1						1		

					Playground Equipment - Park Improvements						Infrastructure										
	Police	Fire	DPW	All Essential Workers	Finn Rd Park	Jones Road Pond-side Park	Ridge Road Park	Rail Trail	Basketball Disc Golf Tennis Court	Broadband	Drains & Ditches Stormwater	Water	Sewer	Roads	Sidewalks	Reopen Transfer Station	Economic Development	Other			
Make necessary investments in water, sewer & broadband infrastructure. Repave streets that are needed. Provide government services affected by the revenue reduction from COVID											1	1	1	1				1			
Give a tax credit to businesses so that we can create new jobs and get new businesses to come to hampton. We need a lumber yard like Lowe's Home Improv. Make our water bill go down.																	1	1			
Invest in H2O & sewer infrastructure. Economic Developemnt, fill some vacant business, but NO MORE Cannibus facilities! Use it for the benefit of residents, not political wants like Federal Gover't is.												1					1				
Enable all households to have acceptable WIFI for students										1											
5 year plan to repurpose Karn-Weadock area - waterfront gathering place for concerts (see Grand Haven waterfront). Expand recreation access (add a campground like Finn?) Develop "Industrial Park & create incentive for light industry to com to Hampton.																	1				
Assistance to pay utilities and housing costs for people unable to work because of COVID NOT supplement paychecks for people who refuse to work.																		1			
Playground equipment upgrades to our parks. Improvments to parks, fix Ridge Rd by Cemetary. Grants to small businesses affected by COVID. We can't afford to lose any more businesses out this way.					1	1	1							1			1				
Investment in boradband infrastructure										1											
Sewer Rates relief!!!																		1			
Manage the stormwater to limit the fertilizer draining into our drinking water (we will get an algae bloom). Lower water & sewer rates, invest in clean water, give police officers a bonus! SAVE IT FOR A RAINY DAY!	1										1	1						1
